SUMMARY

Software Development Engineer with strong expertise built through real-world, hands-on experience. Skilled in Java, Python, Spring Boot, Django, and MySQL, with focus on backend development and API integration. Certified in key technologies and experienced in live deployments, server setup, and automation tools.

TECHNICAL SKILLS

Languages: Java, Python, Html/Css

Technologies/Frameworks: Spring Boot, Django, Flask, MySQL, Gunicorn, Nginx, PM2, Git, Jenkins, cPanel, aaPanel

Operating Systems: Windows, CentOS, Linux

EXPERIENCE

Internship at V Think Solution | Software Development Engineer 🔗   12/2023 – 08/2024
- Deployed live Django projects and managed MySQL databases.
- Developed image processing APIs and created custom video tools.
- Built an API to send personalized birthday and anniversary images via WhatsApp using database data.
- Created an entry-pass ID card generator API with text overlay and embedded QR code.
- Deployed applications using Apache, and configured SSL/TLS certificates for HTTPS support.

PROJECTS

Agro-Connect   05/2025
Java, Spring Boot, Mysql | Source Code
- Designed a platform for farmers to post crop details and connect with buyers and distributors.
- Enabled regional language support, smart search, and secure messaging between users.

Birds-Rescue 🔗   06/2024
Python, Django, Mysql, WhatsApp API | Source Code
- Developed a web application to facilitate the rescue and reporting of injured birds.
- Implemented features for users to report sightings, track rescue operations, and provide updates on the birds' status.

Hashtag Generator 🔗   12/2023
Python, Django | Source Code
- Created a tool or web-based application that generates relevant and popular hashtags for social media posts.
- Key functionalities include categorizing and indexing content on platforms like Twitter, Instagram, and Facebook.

ACHIEVEMENTS

Java, Python and MySQL certificates 🔗
HackerRank

certificates in data visualization, data Analyst, Django, WordPress, applications security, and web analytics 🔗
Great Learning, e-marketing and Simplilearn

EDUCATION

Masters Of Computer Applications (CGPA of 7.59)   08/2022 – 07/2024
Uka Tarsadia University   Gujarat, India

Bachelors of Computer Applications (CGPA of 6.61)   07/2019 – 04/2022
Veer Narmad South Gujarat University   Gujarat, India
